

Junior Equipment Booker

ProLighting Ltd are currently looking for a full-time Junior Equipment Booker to join their growing lighting & digital bookings team.

Your main duties will include:

- Creating equipment lists and quotes to client specifications
- Liaising with photographers, agencies and production companies via email and phone
- Liaising internally with lighting, camera, studio and transport teams to ensure smooth operations

Essential Skills:

- Working knowledge of flash and continuous lighting
- Working knowledge of professional camera systems
- A highly organised approach to tasks and professionalism when liaising with clients at all levels
- An active interest in the photographic and moving image industry

Desired Skills:

- Working knowledge of motion camera systems and grip
- Experience in a similar bookings position within the industry

Full training will be given and applicants can expect to further their knowledge of stills and moving image lighting and camera equipment.

Position available immediately with salary negotiable depending on skills and previous experience in a similar role.

Please send a CV and a short cover note to jobs@prolightinglondon.com with subject 'Junior Equipment Booker Application'

Please note that due to the volume of applications only successful applicants will be contacted.

Lighting Workshop Electrician

ProLighting Ltd are currently looking for an experienced Lighting Workshop Electrician to join our equipment maintenance and repair workshop.

You will be based on the same site as our main lighting warehouse in Whitechapel E1.

Responsibilities will include:

- Diagnosis and repair of electrical and non-electrical lighting equipment
- Purchasing and keeping stock of spare parts and consumables
- Regular maintenance and servicing of equipment according to manufacturer specs
- Schedule and carry out PAT testing

Essential Skills:

- Excellent technical skills and attention to detail
- Proven previous experience in a similar role
- Ability to work under pressure both independently and as part of a team
- PAT testing training

Desired Skills:

- Full clean driving licence

Salary TBD dependent on skills and experience.

Please email your CV and a short cover note to jobs@prolightinglondon.com using subject 'Lighting Workshop Electrician Application'

Please note that due to large volume of applications only shortlisted candidates will be contacted
