

Workshop Electrician / Technician

ProLighting Ltd are currently recruiting for an experienced electrician / technician to help in our equipment maintenance and repair workshop.

Responsibilities will include:

- 1) Diagnosis and repair of lighting and grip stock
 - 2) Purchasing and keeping stock of spare parts
 - 3) Servicing equipment according to manufacturers specs
 - 4) P.A.T. testing
- Essential Skills:

- Excellent technical skills and proven previous experience in a similar role
- Ability to work independently and as part of a team
- Excellent attention to detail
- Full clean driving licence

The right applicant can expect to build up knowledge of photographic lighting and grip, and the photographic industry as a whole.

Salary TBD dependent on skills and experience.

Please send a CV and a short cover note to jobs@prolightinglondon.com

Please note only shortlisted candidates will be contacted.

Lighting Warehouse Operative & Driver

We are currently looking for full time warehouse operatives and drivers. The position is varied and includes preparing and testing lighting equipment, operating booking in and out procedures, loading and unloading of delivery vehicles and kit deliveries and collections.

Full training in-house will be given and applicants can expect to gain a thorough knowledge of industry leading equipment.

Daily duties will include:

- Assisting with preparing equipment for hire
- Delivering and collecting equipment
- Loading and unloading vehicles
- Day to day warehouse maintenance
- General maintenance of a wide range of technical equipment

The right person for the role of Warehouse Operative & Driver will be reliable and self motivated whilst possessing excellent attention to detail and be capable of ensuring the daily tasks are completed to the highest level of quality. You should be willing to learn new skills and be able to work independently as well as part of a team.

Salary TBD dependent on skills and experience in a similar position. There is overtime available and you should be willing to put in extra hours when required.

A clean driving license is essential and the ideal applicant will be confident driving in the London area.

Please send a CV and a short cover note to jobs@prolightinglondon.com

Please note that only successful candidates will be contacted.

Lighting Warehouse Manager

ProLighting Ltd is currently looking for a passionate and hard-working individual to join our growing team as Lighting Warehouse Manager.

The successful candidate will oversee all aspects of the daily running of the Lighting Warehouse including operations, logistics, staffing, kit purchasing and maintenance.

This role requires previous experience in a similar position in the photographic/film industry. A good work ethic and team spirit are essential to this role, as well as the willingness to work long hours when required.

A full clean driving license is desirable.

Please reply including a short cover letter and CV to ryan@prolightinglondon.com

Salary TBD according to skills and experience in similar roles.
